Diamonds Athuruga has always been on my Maldivian wishlist and as myself and husband were celebrating our 30th wedding anniversary ... and the attention to detail was just beautiful. Special thanks to Petra, Pamela, Mario, Lello, Mario and Kersten.

Lello, the Italian singer was really great and he played a lovely selection of music at mealtimes and also during the evening in the main bar. Really enjoyed his music - just the right mix for all age groups.

This was our second visit to Athuruga. Last year was so good we had to go back and booked through Travelab.

We would generally have a few drinks in the island bar listening to Lelloarelli who we were pleased to see is still wowing the audiences on Athuruga with his versions of Pink Floyd classics. He was one of the few familiar faces from last year.

"Más que un paraíso"

Cuando decidimos ir a Athuruga vimos y vimos otras islas de las Maldivas, pero nos recomendamos ésta y la verdad que leí y leí los comentarios de otras personas que habían estado y la curiosidad me hizo elegirla. Qué decir que no me arrepiento para nada, porque tal como se explica en los comentarios como en las fotos es una realidad ...

No cabe comentar el Gran Lello, el músico incansable que medió día y noche amenizaba con su voz, "grande Lello". Un gran tipo.

Gracias a Petra y a todo su equipo por hacerme sentir uno más de ellos, unas vacaciones inolvidables con unas personas magníficas.

Freizeitangebot für uns vollkommen ausreichend, es gibt ein kleines Sportprogramm, Schnorchel-Touren, Tauch-Schule... für jeden was dabei; die Insel ist aber eher ruhig und genau das richtige, wenn man einfach nur entspannen will.

tagsüber und abends gab es schöne Musik von einem italienischen Sänger im Restaurant-Barbereich, was wir sehr angenehm und nicht aufdringlich fanden; außerdem wurden Film-Abende veranstaltet; alles so gestaltet, dass man es in Anspruch nehmen konnte, aber nicht gestört wurde, wenn man ...

Voor onze huwelijksreis hadden we dit hotel uitgekozen op dit prachtige eiland!!! Ik heb lang gezocht om iets negatiefs te vinden maar alles... ook de mensen van de bar, de mensen achter de

schermen, de crew en natuurlijk ook de zanger die voor de nodige animatie zorgde net als het animatieteam. Thans. En net zoals we toegekomen waren werden we weer uitgewuifd door de crew... Een reis om nooit meer te vergeten. Top. Wim en Astrid
